Declaration concerning the REACH provision

To whom it may concern

We are aware of the EU directive EG (Nr.) 1907/2006 for Registration, Evaluation, Authorisation & restriction of Chemicals (REACH). We are fully committed to complying with the scope of this directive. In the sense of REACH Welser is a downstream operator. Therefore a registration is not necessary. Welser is made aware through the safety data sheets in cases where dangerous substances are used in the manufacturing process. Our products supplied to you, do not contain any of the substances published on the recent Candidate list for Substances of Very High Concern (SVHC) according to article 59 paragraph 10, effective September 28th 2018. The current candidate list is published on the following ECHA webpage <https://echa.europa.eu/candidate-list-table>.

Any further queries can be dealt with by Mr. Roland Hudl (r.hudl@welser.com) concerning Austria and Mr. Markus Kepp (m.kepp@welser.com) for Germany and Switzerland.

Yours faithfully
