Statement of Welser Profile Group regarding the use of Conflict Minerals

To whom it may concern

In connection with the Dodd Frank Act the use of conflict minerals originating from The Democratic Republic of the Congo (DRC) and its neighbour countries has to be declared. The following minerals are defined as conflict minerals: Columbite-Tantalite (Coltan), Kassiterite, Gold, Wolframite and their derivatives.

The Welser Profile Group is committed to environmental, ethical and social awareness. The Welser Profile Group confirms that its products do not contain Conflict Minerals.

Yours faithfully

Welser Profile GmbH
